Rs. 9,100/- per month

“I belong to a small village near Gandhinagar, Ahmedabad. IL&FS Institute of Skills, Naroda has played an instrumental role in helping me take the next leap in my career.”

Parth reminisces of how a mobilization process in his village changed his life. He spoke with the mobilizers at length, and understood the process of skilling.

“They understood my needs and competencies; I got enrolled for the course for a fitter. After undergoing training for a duration of 3 months, I was able to pitch myself for the position of a fitter. My trainers helped me understand the process of an interview and how to successfully present myself in them. I have now becoming an earning member in my family, and am happily placed at Mehta Cad Cam Systems Pvt. Ltd. as an assembly fitter, where my yearly income is app. Rs 1,09,200. I am happy with this job, as I am learning many new things every day. I am thankful to PMKVY and the IL&FS Institute of Skills, Naroda for their endless support in turning my life around.”
